Re: b New Fees and Charges Solid Waste Collect services

2. Citizens Comments

Re: a New Water Rates and Water Charges

Re: b New Fees and Charges Solid Waste Collect services

Public Works Director Stewart explained the town has completed all its due process required by the State of Arizona and its statutes to increase both the Town's water rates and water charges along with implementing new waste collection service fees for the residential customers.

Council discussed this is part of their plan to increase the needed water revenues for the next few years and to stay within their contract with Allied Waste to raise those rates additionally with a minimal hit for the town's customers. Council would like staff to research the possibility of

adding a recycling bin for each residential customer, as what the county has is unusable stated Council Member Collett.

There were no citizen's comments given on either issue.
