I. RFP PROCESS; AWARD OF AGREEMENT

1. Purpose; Scope of Work. The Town of Parker (the "Town") is issuing this Request For Proposals (this "RFP") seeking proposals ("Proposals") from qualified, licensed firms ("Contractors") interested in providing residential curbside waste collection services (the "Project"), as more particularly described in the Scope of Work attached to the sample Service Agreement as Exhibit C (the "Services") and incorporated herein by reference. In accordance with the Town's Procurement Code Section 1-11-6, the Town will accept sealed Proposals for the Services specified in the Scope of Work in the sample Service Agreement.

2. Preparation/Submission of Proposal. Contractors are invited to participate in the competitive selection process for the Services outlined in this RFP. Responding parties shall review their Proposal submissions to ensure the following requirements are met.

2.1 Irregular or Non-responsive Proposals. The Town shall consider as "irregular" or "non-responsive" and reject any Proposal not prepared and submitted in accordance with this RFP, or any Proposal lacking sufficient information to enable the Town to make a reasonable determination of compliance to the minimum qualifications. Unauthorized conditions, limitations, or provisions shall be cause for rejection. Proposals may be deemed non-responsive at any time during the evaluation process if, in the sole opinion of the Town:

A. Contractor does not meet the minimum required skill, experience or requirements to perform or provide the Service.

B. Contractor has a past record of failing to fully perform or fulfill contractual obligations.

C. Contractor cannot demonstrate financial stability.

D. Contractor's Proposal contains false, inaccurate or misleading statements that, in the opinion of the Town Manager or authorized designee, is intended to mislead the Town in its evaluation of the Proposal.

2.2 Submittal Quantities. Interested Contractors must submit **three (3) original** and **one (1) digital version on a USB Thumb Drive or emailed to pwdirector@townofparkeraz.us in PDF format.** on the date of the public opening of the proposals. Failure to adhere to the submittal criteria can result in the Proposal being considered non-responsive.

2.3 Required Submittal. The Proposal shall be submitted with a cover letter with an **original ink** signature by a person authorized to bind the Contractor. Proposals submitted without a cover letter with an **original ink signature** by a person authorized to bind the Contractor shall be considered non-responsive. Proposal shall be a maximum of twenty-five (**25**) pages to address the Proposal criteria (excluding resumes, the Vendor Information Form, but including the materials necessary to address Project understanding, general information, organizational chart, photos, tables, graphs, and diagrams). Each page side (maximum 8 1/2" x 11") with criteria information shall be counted. However, one page may be substituted with an 11" x 17" sheet of paper, folded to 8 1/2" x 11", showing a proposed Project schedule or organizational chart and only having information on one side. Cover, back, table of contents and tabs may be used and shall not be included in the page

count, unless they include additional project-specific information or Proposal criteria responses. Failure to adhere to the page limit and size criteria may result in the Proposal being considered non-responsive. The Town prefers a minimum font size of **12 pt., Arial or Times New Roman**.

2.4 Contractor Responsibilities. All Contractors shall (A) examine the entire RFP, (B) seek clarification of any item or requirement that may not be clear, (C) check all responses for accuracy before submitting a Proposal and (D) submit the entire Proposal by the Proposal Due Date and Time. Late Proposals will not be considered. A Contractor submitting a late Proposal shall be so notified. Negligence in preparing a Proposal confers no right of withdrawal after the Proposal Due Date and Time.

2.5 Sealed Submittals. All Proposals shall be sealed and clearly marked with the RFP number and title, **RFP PW2022-002 RESIDENTIAL CURBSIDE WASTE COLLECTION Services**, on the lower left hand corner of the mailing envelope. A return address must also appear on the outside of the sealed Proposal. The Town is not responsible for the pre-opening of, post-opening of, or the failure to open any Proposals not properly addressed or identified.

2.6 Pricing. The Contractor shall submit the same number of copies of the Fee Proposal as described in Section I, 2.2 in a separate, sealed envelope enclosed with the Contractor's Proposal. Pricing shall be inclusive of all of the Services in the Scope of Work as described in the Service Agreement in Exhibit C. A sample Fee Proposal is attached to the Service Agreement as Exhibit D.

2.7 Address. All Proposals shall be directed to the following address: Town of Parker, Attn:Town Clerk , 1314 11th Street, Parker, Arizona, 85344, or hand-delivered to the Town of Parker by the Proposal Due Date and Time indicated on the cover page of this RFP.

2.8 Pricing Errors. If price is a consideration and in case of error in the extension of prices in the Proposal, the unit price shall govern. Periods of time, stated as number of days, shall be calendar days.

2.9 Proposal Irrevocable. In order to allow for an adequate evaluation, the Town requires the Proposal to be valid and irrevocable for **90** days after the Proposal Due Date and Time indicated on the cover of this RFP.

2.10 Amendment/Withdrawal of Proposal. At any time prior to the specified Proposal Due Date and Time, a Contractor (or designated representative) may amend or withdraw its Proposal. Any erasures, interlineations, or other modifications in the Proposal shall be initialed in **original ink** by the authorized person signing the Proposal. Facsimile, electronic (e-mail) or mailgram Proposal amendments or withdrawals will not be considered. No Proposal shall be altered, amended or withdrawn after the specified Proposal Due Date and Time.

3. Cost of Proposal Preparation. The Town does not reimburse the cost of developing, presenting or providing any response to this solicitation. Proposals submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner. The Contractor is responsible for all costs incurred in responding to this RFP. All materials and documents submitted in response to this RFP become the property of the Town and will not be returned.

4. Inquiries.

4.1 Written/Verbal Inquiries. Any question related to the RFP shall be directed to the Town Representative whose name appears on the cover page of this RFP. Questions shall be submitted in writing or via e-mail by the close of business on the Final Date for Inquiries indicated on the cover page of this RFP or submitted verbally (A) at the Pre-Submittal Conference on the date indicated on the cover page of this RFP (if such Pre-Submittal Conference is held) or (B) after the Pre-Submittal Conference but before the Final Date for Inquiries indicated on the cover page of this RFP. In the event the Town is closed on the Final Date for Inquiries, the Contractor shall submit the question(s) to the Town Representative via e-mail or voicemail. Any inquiries related to this RFP shall refer to the number and title, page and paragraph. However, the Contractor shall not place the RFP number and title on the outside of any envelope containing questions, because such an envelope may be identified as a sealed Proposal and may not be opened until after the Proposal Due Date and Time.

4.2 Inquiries Answered. Written questions will be read and answered at the Pre-Submittal Conference on the date indicated on the cover page of this RFP. Verbal or telephone inquiries directed to Town staff **will not be answered**. Within two (2) business days following the Pre-Submittal Conference, answers to all questions received in writing or via e-mail or verbally at the Pre-Submittal Conference will be mailed, sent via facsimile and/or e-mailed to all parties who obtained an RFP package from the Town and who legibly provided their mailing address, facsimile and/or e-mail address to the Town. No questions, submitted in any form, will be answered after the Final Date for Inquiries listed on the cover of this RFP.

5. Pre-Submittal Conference. A Pre-Submittal Conference will be held. The date and time of this conference is indicated on the cover page of this RFP. This conference is designated as mandatory on the cover page of this RFP. Failure to attend shall render that Contractor's Proposal non-responsive. The purpose of this conference will be to clarify the contents of this RFP in order to prevent any misunderstanding of the Town's requirements. Any doubt as to the requirements of this RFP or any apparent omission or discrepancy should be presented to the Town at this conference. The Town will then determine if any action is necessary and may issue a written amendment or addendum to the RFP. Oral statements or instructions will not constitute an amendment or addendum to this RFP. Any addendum issued as a result of any change in this RFP shall become part of the RFP and must be acknowledged in the Proposal submittal. Failure to indicate receipt of the addendum shall result in the Proposal being rejected as non-responsive.

6. Payment Requirements; Payment Discounts. Any Proposal that requires payment in less than 30 calendar days shall not be considered. Payment discounts of 30 calendar days or more will be deducted from the Proposal price in determining the low Proposal. The Town shall be entitled to take advantage of any payment discount offered by the Contractor provided payment is made within the discount period.

7. Federal Excise Tax. The Town is exempt from Federal Excise Tax, including the Federal Transportation Tax. Sales tax, if any, shall be indicated as a separate item.

8. Public Record. All Proposals shall become the property of the Town and shall become a matter of public record available for review, subsequent to the award notification, in accordance with the Town's Procurement Code and state law.

9. Confidential Information. If a Contractor believes that a Proposal or protest contains information that should be withheld from the public record, a statement advising the Town Representative of this fact shall accompany the submission and the information shall be identified. The information identified by the Contractor as confidential shall not be disclosed until the Town reviews the statement and information and shall determine in writing whether the information shall be withheld. If the Town determines it will disclose the information, the Town Representative shall inform the Contractor in writing of such determination.

10. Contractor Licensing and Registration. Prior to the award of the Agreement, the successful Contractor shall (A) be licensed with the Arizona Corporation Commission to do business in Arizona and (B) have a completed Town of Parker Business License on file with the Town Finance Department. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip favor or service to a Town employee, officer or agent in connection with the submitted Proposal. It (including the Contractor's employees, representatives, agents, lobbyists, attorneys, and subcontractors) has refrained, under penalty of disqualification, from direct or indirect contact for the purpose of influencing the selection or creating bias in the selection process with any person who may play a part in the selection process, including the Selection Committee, elected officials, the Town Manager, Department Heads, and other Town staff. All contact must be addressed to the Town's Public Works Department, except for questions submitted as set forth in Section 4, Inquiries, above. Any attempt to influence the selection process by any means shall void the submitted Proposal and any resulting Agreement.

11.4 Financial Stability. It is financially stable, solvent and has adequate cash reserves to meet all financial obligations including any potential costs resulting from an award of the Agreement.

11.5 No Signature/False or Misleading Statement. Failure to sign the Proposal, or signing it with a false or misleading statement, shall void the submitted Proposal and any resulting Agreement.

11.6 Service Agreement. In addition to reviewing and understanding the submittal requirements, it has reviewed the attached sample Service Agreement including the Scope of Work and other Exhibits.

12. Award of Agreement.

12.1 Selection. A Selection Committee composed of representatives from the Town will conduct the selection process according to the schedule listed on the cover page of this RFP. Proposals shall be opened at the time and place designated on the cover page of this RFP. The name of each Contractor and the identity of the RFP for which the Proposal was submitted shall be publicly read and recorded in the presence of witnesses. PRICES SHALL NOT BE READ. The Selection Committee shall award the agreement to the responsible and responsive Contractor whose Proposal is determined, in writing, to be the most advantageous to the Town and best meets the overall needs of the Town taking into consideration the evaluation criteria set forth in this RFP. The amount of applicable transaction privilege or use tax of the Town shall not be a factor in determining the most advantageous Proposal. After the Town has entered into an Agreement with the successful Contractor, the successful Proposal and the scoring documentation shall be open for public inspection.

12.2 Line Item Option. Unless the Proposal states otherwise, or unless otherwise provided within this RFP, the Town reserves the right to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the Town.

12.3 Multiple Awards. The Town, at its sole discretion, may elect to enter into Agreements with multiple Contractors who are qualified to provide the Services. The final terms and conditions of the proposed Agreement will be negotiated by the Town with the successful offerors.

12.4 Form of Agreement. The selected Contractor will be required to execute the Town's standard Service Agreement in a form acceptable to the Town Attorney. A sample of the standard agreement is included with this RFP. If the Town is unsuccessful in negotiating an Agreement with the highest-scoring Contractor, the Town may then negotiate with the second, and then third, highest-scoring Contractor until an Agreement is executed. Town Council approval may be required. The Town reserves the right to terminate the selection process at any time.

12.5 Waiver; Rejection; Reissuance. Notwithstanding any other provision of this RFP, the Town expressly reserves the right to: (A) waive any immaterial defect or informality, (B) reject any or all Proposals or portions thereof and (C) reissue an RFP.

12.6 Protests. Any Contractor may protest this RFP issued by the Town, the proposed award of an Agreement, or the actual award of an Agreement. All protests will be considered in accordance with the Town Procurement Code.

13. Offer. A Proposal is an offer to contract with the Town based upon the terms, conditions and specifications contained in this RFP and the Contractor's responsive Proposal, unless any of the terms, conditions, or specifications is modified by a written addendum or agreement amendment. Provided, however, that no contractual relationship shall be established until the Contractor has

signed, and the Town has approved, a service agreement between the Town and the Contractor in the form acceptable to the Town Attorney. A sample Service Agreement is included herein.

II. PROPOSAL FORMAT; SCORING

Upon receipt of a Proposal, each submittal will be reviewed for compliance with the Proposal requirements by the Selection Committee. Proposals shall be organized and submitted in the format as outlined below. Failure to conform to the designated format, standards and minimum requirements shall result in a determination that the Proposal is non-responsive. Additionally, the Selection Committee will evaluate and award points to each Proposal based upon the evaluation criteria as outlined in this document. B. The Town issued a Request for Proposals, 2022-002 "RESIDENTIAL CURBSIDE WASTE COLLECTION SERVICES" (the "RFP"), attached hereto as Exhibit A and incorporated herein by reference, seeking proposals from Contractors for RESIDENTIAL CURBSIDE WASTE COLLECTION Services.

C. The Contractor submitted a proposal in response to the RFP (the "Proposal"), attached hereto as Exhibit B and incorporated herein by reference, and the Town desires to enter into an Agreement with the Contractor for RESIDENTIAL CURBSIDE WASTE & RECYCLING COLLECTION Services (the "Services").

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and the Contractor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until _____, 2027 (the "Initial Term"), unless terminated as otherwise provided pursuant to the terms and conditions of this Agreement. After the expiration of the Initial Term, this Agreement may be renewed for up to three successive three-year terms (each, a "Renewal Term") if (i) it is deemed in the best interests of the Town, subject to availability and appropriation of funds for renewal in each subsequent year, (ii) at least 30 days prior to the end of the then-current term of the Agreement, the Contractor requests, in writing, to extend the Agreement for an additional three-year term and (iii) the Town approves the additional three-year term in writing (including any price adjustments approved as part of this Agreement), as evidenced by the Mayor's signature thereon, which approval may be withheld by the Town for any reason. The Contractor's failure to seek a renewal of this Agreement shall cause the Agreement to terminate at the end of the then-current term of this Agreement; provided, however, that the Town may, at its discretion and with the agreement of the Contractor, elect to waive this requirement and renew this Agreement. The

Initial Term and any Renewal Term(s) are collectively referred to herein as the "Term." Upon renewal, the terms and conditions of this Agreement shall remain in full force and effect.

2. Scope of Work. Contractor shall provide the Services as set forth in the Scope of Work, attached hereto as Exhibit C and incorporated herein by reference.

3. Compensation. The Town shall pay Contractor at the rates as set forth in the Fee Proposal, attached hereto as Exhibit D and incorporated herein by reference. The Town and the Contractor agree that the prices corresponding to each unit of Services, as set forth in the Fee Proposal, are fair and accurate.

4. Payments. The Town shall pay the Contractor monthly, based upon the number of units of Service actually performed and completed to date, and upon submission and approval of invoices. All invoices shall document and itemize all work completed to date.

4.1 Deductions for Non-Conforming Services. If, pursuant to Section 7 below, the Town determines the Contractor failed to perform the Services in accordance with the Scope of Work, attached hereto as Exhibit C, the Town may deduct from Contractor's invoice and compensation the unit price set forth in the Fee Proposal, attached hereto as Exhibit D, for each unit of Service that failed to conform to the Scope of Work.

5. Documents. All documents prepared and submitted to the Town pursuant to this Agreement shall be the property of the Town.

6. Contractor Personnel. Contractor shall provide adequate, experienced personnel, capable of and devoted to the successful completion of the Services to be performed under this Agreement. Contractor agrees to assign specific individuals to key positions. Contractor agrees that, upon commencement of the Services to be performed under this Agreement, key personnel shall not be removed or replaced without prior written notice to the Town. If key personnel are not available to perform the Services for a continuous period exceeding 30 calendar days or are expected to devote substantially less effort to the Services than initially anticipated, Contractor shall immediately notify the Town of same and shall, subject to the concurrence of the Town, replace such personnel with personnel of substantially equal ability and qualifications.

7. Inspection; Acceptance. All work shall be subject to inspection and acceptance by the Town at reasonable times during Contractor's performance. The Contractor shall provide and maintain a self-inspection system that is acceptable to the Town.

7.1 Documentation of Non-Conforming Services. If an authorized representative of the Town determines the Services were not performed in accordance with the Scope of Work, attached hereto as Exhibit C, the Town shall describe in writing, or otherwise document in a retrievable form, the non-conforming Services. The Town shall make this record of the non-conforming Services available upon request by the Contractor. In accordance with Subsection 4.1 above, the Town may use this record of non-conforming Services to deduct from Contractor's invoice and compensation the number of units of Service failing to conform to the Scope of Work.

8. Licenses; Materials. Contractor shall maintain in current status all federal, state and local licenses and permits required for the operation of the business conducted by the Contractor. The Town has no obligation to provide Contractor, its employees or subcontractors any business registrations or licenses required to perform the specific services set forth in this Agreement. The Town has no obligation to provide tools, equipment or material to Contractor.

9. Performance Warranty. Contractor warrants that the Services rendered will conform to the requirements of this Agreement and to the highest professional standards in the field.

10. Indemnification. To the fullest extent permitted by law, the Contractor shall indemnify, defend and hold harmless the Town and each council member, officer, employee or agent thereof (the Town and any such person being herein called an "Indemnified Party"), for, from and against any and all losses, claims, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorneys' fees, court costs and the costs of appellate proceedings) to which any such Indemnified Party may become subject, under any theory of liability whatsoever ("Claims"), insofar as such Claims (or actions in respect thereof) relate to, arise out of, or are caused by or based upon the negligent acts, intentional misconduct, errors, mistakes or omissions, in connection with the work or services of the Contractor, its officers, employees, agents, or any tier of subcontractor in the performance of this Agreement. The amount and type of insurance coverage requirements set forth below will in no way be construed as limiting the scope of the indemnity in this Section.

11. Insurance.

11.1 General.

A. Insurer Qualifications. Without limiting any obligations or liabilities of Contractor, Contractor shall purchase and maintain, at its own expense, hereinafter stipulated minimum insurance with insurance companies authorized to do business in the State of Arizona pursuant to ARIZ. REV. STAT. § 20-206, as amended, with an AM Best, Inc. rating of A- or above with policies and forms satisfactory to the Town. Failure to maintain insurance as specified herein may result in termination of this Agreement at the Town's option.

B. No Representation of Coverage Adequacy. By requiring insurance herein, the Town does not represent that coverage and limits will be adequate to protect Contractor. The Town reserves the right to review any and all of the insurance policies and/or endorsements cited in this Agreement but have no obligation to do so. Failure to demand such evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Contractor from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Agreement.

C. Additional Insured. All insurance coverage and self-insured retention or deductible portions, except Workers' Compensation insurance and Professional Liability insurance, if applicable, shall name, to the fullest extent permitted by law for claims arising out of the performance of this

Agreement, the Town, its agents, representatives, officers, directors, officials and employees as Additional Insured as specified under the respective coverage sections of this Agreement.

D. Coverage Term. All insurance required herein shall be maintained in full force and effect until all work or services required to be performed under the terms of this Agreement are satisfactorily performed, completed and formally accepted by the Town, unless specified otherwise in this Agreement.

E. Primary Insurance. Contractor's insurance shall be primary insurance with respect to performance of this Agreement and in the protection of the Town as an Additional Insured.

F. Waiver. All policies, except for Professional Liability, including Workers' Compensation insurance, shall contain a waiver of rights of recovery (subrogation) against the Town, its agents, representatives, officials, officers and employees for any claims arising out of the work or services of the Contractor. Contractor shall arrange to have such subrogation waivers incorporated into each policy via formal written endorsement thereto.

G. Policy Deductibles and/or Self-Insured Retentions. The policies set forth in these requirements may provide coverage that contains deductibles or self-insured retention amounts. Such deductibles or self-insured retention shall not be applicable with respect to the policy limits provided to the Town. Contractor shall be solely responsible for any such deductible or self-insured retention amount.

H. Use of Subcontractors. If any work under this Agreement is subcontracted in any way, Contractor shall execute written agreements with its subcontractors containing the indemnification provisions set forth in this Section and insurance requirements set forth herein protecting the Town and Contractor. Contractor shall be responsible for executing any agreements with its subcontractors and obtaining certificates of insurance verifying the insurance requirements.

I. Evidence of Insurance. Prior to commencing any work or services under this Agreement, Contractor will provide the Town with suitable evidence of insurance in the form of certificates of insurance and a copy of the declaration page(s) of the insurance policies as required by this Agreement, issued by Contractor's insurance insurer(s) as evidence that policies are placed with acceptable insurers as specified herein and provide the required coverages, conditions and limits of coverage specified in this Agreement and that such coverage and provisions are in full force and effect. Confidential information such as the policy premium may be redacted from the declaration page(s) of each insurance policy, provided that such redactions do not alter any of the information required by this Agreement. The Town shall reasonably rely upon the certificates of insurance and declaration page(s) of the insurance policies as evidence of coverage but such acceptance and reliance shall not waive or alter in any way the insurance requirements or obligations of this Agreement. In the event any insurance policy required by this Agreement is written on a "claims made" basis, coverage shall extend for two years past completion of the Services and the Town's acceptance of the Contractor's work or services and as evidenced by annual certificates of insurance. If any of the policies required by this Agreement expire during the life of this Agreement, it shall be Contractor's responsibility to forward renewal certificates and declaration page(s) to the Town 30 days prior to the expiration date. All certificates of insurance and declarations required by this Agreement

shall be identified by referencing the RFP number and title of this Agreement. A \$25.00 administrative fee shall be assessed for all certificates or declarations received without the appropriate RFP number and title or a reference to this Agreement, as applicable. Additionally, certificates of insurance and declaration page(s) of the insurance policies submitted without referencing the appropriate RFP number and title or a reference to this Agreement, as applicable, will be subject to rejection and may be returned or discarded. Certificates of insurance and declaration page(s) shall specifically include the following provisions:

(1) The Town, its agents, representatives, officers, directors, officials and employees are Additional Insureds as follows:
